MISCELLANEOUS DEPARTMENTS.

DEPARTMENT OF INDUSTRIES AND COMMERCE.

Dated 11th March 1920.

Notice is hereby given that sealed tenders will be received at the office of the Director of Industries and Commerce up to 5th April 1920, for the supply of 8 tons of corrugated sheets (galvanized) of 22 B. W. G. and 7 feet long. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of April 1920.

2. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed—F.O.R, Bangalore City.

Description	Unit	Rate

3. Each tender must be accompanied by a deposit of Rs. 150 in cash, as earnest money and be superscribed "Tender for the supply of 8 tons of corrugated galvanized sheets of 22 B. W.G. and 7 feet long; in default of which, tenders will be rejected.

4. The final acceptance of any tender will rest with the Director who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

6. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Director's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

V. RANGASWAMY IYENGAR,
Director.

DEPARTMENT OF AGRICULTURE.

OFFICE OF THE LIVE STOCK EXPERT IN MYSORE, BANGALORE.

Notice dated 20th March 1920.

Sealed tenders will be received at the office of the Live Stock Expert, Bangalore, for the supply of the good ragi straw for the use of the Hebbal Dairy of the Agricultural Department.

2. The tender should be in the form noted below, superscribed "Tenders for supply of Ragi straw". The rate should be distinctly written in words as well as in figures. Each tender should be accompanied with a deposit of Rs. 25. Sample of the straw tendered for should be forwarded along with the tender.

3. The tenders should reach the office of the Live Stock Expert not later than the 7th April 1920.

4. Tenders will be opened on the afternoon of the 10th April 1920.

5. The Live Stock Expert reserves to himself the right of accepting one or more of the tenders.

6. The Live Stock Expert does not bind himself to accept the lowest or any tender or to assign reasons for rejecting any tender.

6c

7. The deposit amount will be returned on rejection of the tender.

8. The successful tenderer will be required to execute an agreement immediately to supply the straw strictly according to the approved sample, and to deliver the same at the Dairy of the Department at Hebbal in such instalments and in such quantities and within such time after date of order as may from time to time be specified, and to deposit within fifteen days after acceptance of the tender a further sum of rupees seventy five. If the successful tenderer fails to execute the agreement or to deposit the money as required above, the amount of deposit accompanying the tender will be forfeited and the contract cancelled and put up to auction at the risk and loss of the successful tenderer.

Notice dated 25th March 1920.

In supersession of this office notice dated 13th March 1920, it is hereby notified for public information that sixteen head of Dairy cattle belonging to the Dairy Farm at Hebbal will be sold by public auction at 9-30 A.M., on the 3rd April 1920 at the Hebbal Experimental Farm by the Live Stock Expert. The cattle to be sold consist of six cows some of which are in milk and ten head of young stock, 8 of which are heifers. They may be inspected at the Hebbal Farm previous to sale.

Terms of sale.

1. Each head of cattle except those in milk will be sold separately.

2. Mothers in milk and their calves will be put up to auction jointly.

3. The cattle will ordinarily be knocked down to the highest bidder but the Live Stock Expert reserves to himself the right to refuse the highest or any bid.

4. Cattle knocked down to the highest bidder shall be at once paid for in full and removed from the Farm. In default of payment the cattle not paid for shall again be put up to auction at the risk and cost of the first highest bidder.

LESLIE C. COLEMAN,
Director of Agriculture.

MYSORE STATE TROOPS, BANGALORE.

Notice dated 24th March 1920.

1. Tenders are invited for the supply of the undermentioned articles required for the Mysore Imperial Service Lancers at Hebbal, Bangalore.

2. Tenders should be in the undermentioned form, sealed and addressed to the Chief Commandant, Mysore State Troops, and superscribed "Tenders for the supply of ragi straw and karada grass for the Imperial Service Lancers at Hebbal."

3. Tenders will be received at the Chief Commandant's Office, till 2 P.M., on Monday the 19th April 1920, after which no tender will be received.

4. Tenders should clearly show the rate per ton at which each of the article of good ragi straw and karada grass can be supplied. Tenders may be submitted either for one or for both articles.

5. Every tender should be accompanied with a deposit of Rs. 50 in currency notes and with correct samples of ragi straw and karada grass to be supplied. If the tender is accepted and the tenderer fails to undertake the contract, he will forfeit the amount. If the tender is not accepted, the amount will be returned to the tenderer.

6. The name of the successful tenderer will be notified in due course on the board at the Chief Commandant's Office and he will be required to deposit as security one-tenth of the value of the article to be supplied and to execute an agreement for the due fulfilment of the contract for the supply required.

7. The probable quantity required of good ragi straw is 2,451,900 lbs. and of karada grass 2,451,900 lbs. or about 1,095 tons of each quality.

8. The contractor shall supply at the Imperial Service Lancers not less than 240 tons of ragi straw and 240 tons of dry karada grass within fifteen days from date of receipt of the order. Thereafter he should supply 205 tons of ragi straw and 205 tons of dry karada grass in each month beginning from 1st June 1920. But he should supply the total quantities required, *viz.*, 2,451,900 lbs. of good ragi straw and 2,451,900 lbs. of dry karada grass before the end of September 1920.

9. The supply of ragi straw and karada grass should be strictly according to the approved samples. If at any time green karada grass is supplied, 40 lbs. of such green karada grass will be considered as equivalent to 18 lbs. of dry karada grass.

10. The Officer Commanding will grant receipts immediately after the supplies are received from the contractor who will, then submit his bill once a month to the Officer Commanding Imperial Service Lancers duly supported with the receipts for adjustment.

11. Should the contractor fail to comply with any of the conditions detailed above, the contract will be forthwith cancelled, and the deposit credited to Government.

12. The Chief Commandant reserves to himself the right of accepting or rejecting any tender without assigning any reason therefor.
